Dear Mr. Hutson:

**RE: Complaint by 6166954 Canada Inc. (616) against Shaw  
Cable (Shaw) and Star Choice pursuant to sections 9,20 and 40  
of the *Broadcasting Distribution Regulations***

Further to your letter of March 24 concerning the above-noted complaint, we are pleased to report that Star Choice is considering alternatives concerning the distribution of the Category 1 service formerly known as Pridevision which, as of April 12, 2005, we understand will be renamed "OUTtv".

Star Choice is currently considering Mr. Craig's requests, as expressed in the complaint. Yesterday, in a conversation with Mr. Craig, Star Choice's need for additional time to develop and assess possible alternatives was explained. Accordingly, we will make our filing in response to the complaint, including any alternatives and any other comments, no later than 5:00pm ET, Tuesday, April 12, 2005. We understand from Mr. Craig that he is in agreement with an April 12 filing.

Yours truly,
