Shaw Communications

We are in receipt of the faxed counter signed agreements from Shaw. 6166954 Canada Inc. hereby withdraws its Complaint to the CRTC on the distribution of OUTtv per our agreement. I've cc'd Randy Hutson for formal notice to CRTC.

In this process, we have not had access to Shaw or Star Choice marketing folks. Who are your marketing contacts within Shaw and Star Choice, now that we are signed? We'd like to optimize this packaging launch to both of our advantage.

We look forward to a profitable relationship with both Star Choice and Shaw Cable in the coming months/years.

Best regards  
William R. Craig  
President, 6166954 Canada Inc.
