Public Hearing in the National Capital Region

Erratum

1. In *Low-power tourist information service in North Vancouver*, Broadcasting Decision CRTC 2004-493, 12 November 2004, the Commission indicated that the station would broadcast, on a year-round basis, pre-recorded tourist information aimed at providing visitors with information on tourist attractions and outdoor activities, as well as on shopping, entertainment, accommodation and restaurants in North Vancouver instead of Vancouver. The Commission therefore replaces condition of licence no. 1 by the following **condition**:
 1. The licensee shall use the station solely for the purpose of providing pre-recorded messages on tourist attractions and outdoor activities, as well as on shopping, entertainment, accommodation and restaurants in Vancouver.
