

## Broadcasting Public Notice CRTC 2007-132-1

Ottawa, 23 November 2007

### Renaming of WTBS Atlanta as WPCH-TV Atlanta on the lists of eligible satellite services

#### Erratum

1. The Commission hereby **corrects** Broadcasting Public Notice 2007-132, which was published on 19 November 2007. The reference to Public Notice 1987-261 in paragraph 5 was incorrect, and paragraph 5 is therefore replaced with the following:

The Commission added Turner Broadcasting's television station WTBS Atlanta to its Lists in Public Notice 1985-72. The service added was the over-the-air television station serving Atlanta, Georgia, and not the national TBS cable network feed, which has never been authorized for distribution in Canada.

2. In addition, the "Related documents" section of Broadcasting Public Notice 2007-132 is replaced with the following:
