## **Appendix to Broadcasting Decision CRTC 2008-187**

### **Conditions of licence**

1.
  - a) The licensee must use the station for the purpose of broadcasting locally originated announcements of matters of concern or interest to the residents of and visitors to Jasper and for broadcasting emergency service information when required by the emergency service agencies operating in the Jasper area.
  - b) Notwithstanding a) above, the licensee may devote up to a maximum of 50 minutes during each clock hour of its broadcast week to the rebroadcasting of the programming of a licensed Edmonton radio station.
  - c) During the time periods in which the station rebroadcasts programming of another station, the licensee is prohibited from substituting local advertising and any other type of local programming, with the exception of emergency messages as and when required by the emergency service agencies operating in Jasper.
2.
  - a) The licensee must not broadcast more than 1 minute of station-originated advertising material during each 10-minute locally originated programming segment.
  - b) The licensee may broadcast station-originated advertising material only during periods of locally originated programming.
3. During the periods of locally originated programming, the licensee must not broadcast any musical selections, except as incidental background music.
