Application No. 2009-1080-4

1. **Province of Ontario** **Application No. 2009-1080-4**

Application by **CTV Limited (CTV) and 1640576 Ontario Inc. (1640576), partners in a general partnership carrying on business as Pulse 24 Partnership**, to amend the broadcasting licence for the regional (Ontario), English-language analog specialty television service known as CP24.

The licensee proposes to amend its condition of licence 1(b) by adding category 11 (general entertainment and human interest) to the list of categories from which it may draw its programming.

The licensee states that this amendment is pursuant to *Regulatory frameworks for broadcasting distribution undertaking and discretionary programming services* – Regulatory Policy, Broadcasting Public Notice CRTC 2008-100, 30 October 2008.

The licensee states that the addition of category 11 would allow CP24 to build on the entertainment news programming that the service already airs from programming category 1 (news).

In Broadcasting Notice of Consultation 2009-461, the Commission announced the receipt of an application (2009-0922-8) by CTVglobemedia Inc, on behalf of its wholly-owned subsidiary CTV for authority to acquire, as part of a corporate reorganization, the assets of CP24, which is currently held under a partnership consisting of CTV and 1640576, partners in a general partnership carrying on business as Pulse 24 Partnership. Upon closing of the transaction, CTV would become the sole licensee of CP24.

In the event the licence amendment described above is approved by the Commission, the proposed licensee for the acquisition of assets application (CTV) would be subject to the conditions of licence as amended.
