CKDJ-FM Algonquin Radio
Nepean, Ontario

Application 2013-1557-3, received 8 November 2013

CKDJ-FM Nepean – Licence renewal

*The Commission **renews** the broadcasting licence for the English-language campus radio station CKDJ-FM Nepean from 1 September 2014 to 31 August 2021.*

Application

1. CKDJ-FM Algonquin Radio (Algonquin Radio) filed an application to renew the broadcasting licence for the English-language campus radio station CKDJ-FM Nepean, which expires 31 August 2014. The Commission received interventions in support of this application.

Non-compliance

2. In Broadcasting Notice of Consultation 2014-58, the Commission noted that Algonquin Radio was in apparent non-compliance with section 9(2) of the *Radio Regulations, 1986* (the Regulations), which relates to the filing of annual returns. Specifically, for the 2010-2011 broadcast year, the annual return for CKDJ-FM was filed after the deadline set out in section 9(2), that is, the 30 November following the end of that broadcast year. The filing requirements, including the requirement to submit financial statements with the annual returns, are set out in Broadcasting Information Bulletin 2011-795.
3. The licensee stated that multiple staffing changes within multiple departments resulted in the late filing of its annual return. It noted that to ensure compliance in the future, it has put in place an internal review process that will ensure the timely filing of annual returns.
4. In light of the above, the Commission finds Algonquin Radio in non-compliance with section 9(2) the Regulations for CKDJ-FM for the 2010-2011 broadcast year.

Regulatory measures

5. In Broadcasting Information Bulletin 2011-347, the Commission announced a revised approach to non-compliance by radio stations. Specifically, the Commission indicated

that each instance of non-compliance would be evaluated in its context and in light of factors such as the quantity, recurrence and seriousness of the non-compliance. The Commission also indicated that it would consider the circumstances of the non-compliance, the arguments provided by the licensee and the measures taken to rectify the situation.

6. Compliance with the deadlines for the filing of complete annual returns is important because it enables the Commission to monitor a licensee's performance and compliance with the Regulations and its conditions of licence.
7. The Commission notes that this is the only situation of non-compliance for CKDJ-FM during the current licence term. It further notes the measures put into place by the licensee to avoid future non-compliance. Finally, the Commission recognizes that staff turnover is one of the challenges that campus radio stations face. In light of the above, and in light of the circumstances surrounding the non-compliance, the Commission finds that it is appropriate to renew the broadcasting licence for CKDJ-FM for a full seven-year term.

Conclusion

8. In light of all of the above, the Commission **renews** the broadcasting licence for the English-language campus radio programming undertaking CKDJ-FM Nepean from 1 September 2014 to 31 August 2021. The licensee shall adhere to the **conditions of licence** set out in Broadcasting Regulatory Policy 2012-304, as amended from time to time.

Reminder

9. Pursuant to section 22 of the *Broadcasting Act*, the broadcasting licence renewed in this decision will cease to have any force or effect if the broadcasting certificate issued by the Department of Industry lapses.

Filing of ownership information

10. As set out in Broadcasting Regulatory Policy 2010-499, as amended from time to time, the Commission expects all community and campus radio station licensees to file yearly updates on the composition of their boards of directors. These annual updates can be submitted at the time of submission of annual returns, following annual board of directors' elections, or at any other time. As noted in Appendix 3 to that policy, licensees may submit such documentation via the Commission's website.

Employment equity

11. The Commission considers that campus and community radio stations should be particularly sensitive to employment equity issues in order to reflect fully the communities they serve. It encourages the licensee to consider these issues in its hiring practices and in all other aspects of its management of human resources.
