Introduction

1. The Commission received an application from Soundview Entertainment Inc. (Soundview), acting as the Canadian sponsor, to add HAITI HD to the *List of non-Canadian programming services authorized for distribution* (the list). The Commission did not receive any interventions regarding this application.
2. Soundview described HAITI HD as a 24-hour 100% Creole-language niche service that provides movie and music programming, as well as entertainment news and talk shows. Its target audience is Haitian-Canadians and viewers interested in Haitian culture, and its service originates in the United States.
3. In Broadcasting Public Notices 2004-96 and 2008-100, the Commission stated that requests to add non-Canadian general interest third-language services to the list would generally be approved, subject to any requirement it deemed appropriate. In Broadcasting Public Notice 2008-100, the Commission stated that non-Canadian third-language services that provide narrowly targeted or "niche" programming would be subject to the same approach as non-Canadian general interest third-language services.

Commission's analysis and decision

4. In the absence of opposing interventions, the Commission **approves** the application by Soundview Entertainment Inc. to add HAITI HD to the *List of non-Canadian programming services authorized for distribution* and amends the list accordingly. The revised list is available on the Commission's website at www.crtc.gc.ca by

clicking on “TV & Radio” and selecting “Programming,” and may be obtained in hard copy on request.
