Application 2017-0762-1, received 25 August 2017

Exempted terrestrial broadcasting distribution undertaking serving fewer than 20,000 subscribers – Revocation of licence

1. The Commission received an application by Beanfield Technologies Inc. in which it has confirmed its eligibility for exemption in accordance with the terms and conditions of the exemption order for terrestrial broadcasting distribution undertakings serving fewer than 20,000 subscribers (Broadcasting Order 2017-320), set out in the appendix to *Revised exemption order for terrestrial broadcasting distribution undertakings serving fewer than 20,000 subscribers*, Broadcasting Regulatory Policy CRTC 2017-319 and Broadcasting Order CRTC 2017-320, 31 August 2017.
2. Given the licensee's request and pursuant to sections 9(1)(e) and 24(1) of the *Broadcasting Act*, the Commission **revokes** the broadcasting licence issued to Beanfield Technologies Inc. for the undertaking serving Toronto (East Bayfront and West Don Lands), Ontario.
3. The Commission reminds the operator of this undertaking that it must, at all times, comply with the criteria contained in Broadcasting Order 2017-320.
