2. The interim approval of these applications complies with the 2006 and 2019 Policy Directions<sup>2</sup> by facilitating efficient tariff processes while enabling the Commission to consider, on the basis of a complete record, how its final decisions can promote competition, affordability, consumer interests, and innovation.
3. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
