Amtelecom Limited Partnership – Final approval of a tariff application

1. The Commission **approves on a final basis** the following tariff application:

Applicant	Tariff Notice and description	Date of application	Effective date
Amtelecom Limited Partnership (Amtelecom)	TN 82 General Tariff – Implementation of local competition in the serving territory of Amtelecom	12 June 2020	12 July 2020

2. The Commission received no interventions with respect to the application.
3. In accordance with subparagraph 1(b)(i) of the 2006 Policy Direction,¹ the Commission considers that the approval of this application will advance the policy objective set out in paragraph 7(f) of the *Telecommunications Act*.²
4. In accordance with the 2019 Policy Direction,³ the Commission considers that this order, which is based on a complete record, can promote competition, affordability, consumer interests, and innovation. Specifically, the final approval of this application will promote consumer interests and innovative telecommunications services, since it will (i) provide customers in the affected exchanges with a greater choice of telecommunications services, and (ii) ensure that consumers have access to high-quality innovative telecommunications services resulting from local competition.
5. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
