PDF version

Ottawa, 20 September 2022

### TELUS Communications Inc. – Approval of a tariff application

1. The Commission **approves** the following tariff application:

Applicant	Tariff Notice and description	Date of application	Effective date
TELUS Communications Inc.	TN 570 General Tariff – Destandardization of Centrex Service	31 May 2022	20 September 2022

2. The Commission received no interventions with respect to the application.
3. In accordance with subparagraph 1(b)(i) of the 2006 Policy Direction,<sup>1</sup> the Commission considers that the approval of this application will advance the policy objective set out in paragraph 7(f) of the *Telecommunications Act*.<sup>2</sup>
4. In accordance with the 2019 Policy Direction,<sup>3</sup> the Commission considers that this order, which is based on a complete record, can promote competition, affordability, consumer interests, and innovation. Specifically, the approval of this application will promote consumer interests and innovation by encouraging new customers to consider more modern services, which will allow them to better adapt to network evolution.
5. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
