RE: Intention to expand CLEC markets to include additional Ontario municipalities.

Secretary General,

This letter is notification to the Commission and other LECs in the proposed serving areas that ExaTEL is interested in expanding its local network footprint to offer services in the following Ontario municipalities:

- Atikokan
- Bracebridge
- Chapleau
- Fort Frances
- Little Current
- Marathon
- Nipigon
- Wawa

ExaTEL will fulfill all the CLEC obligations in these areas before offering service to end customers.

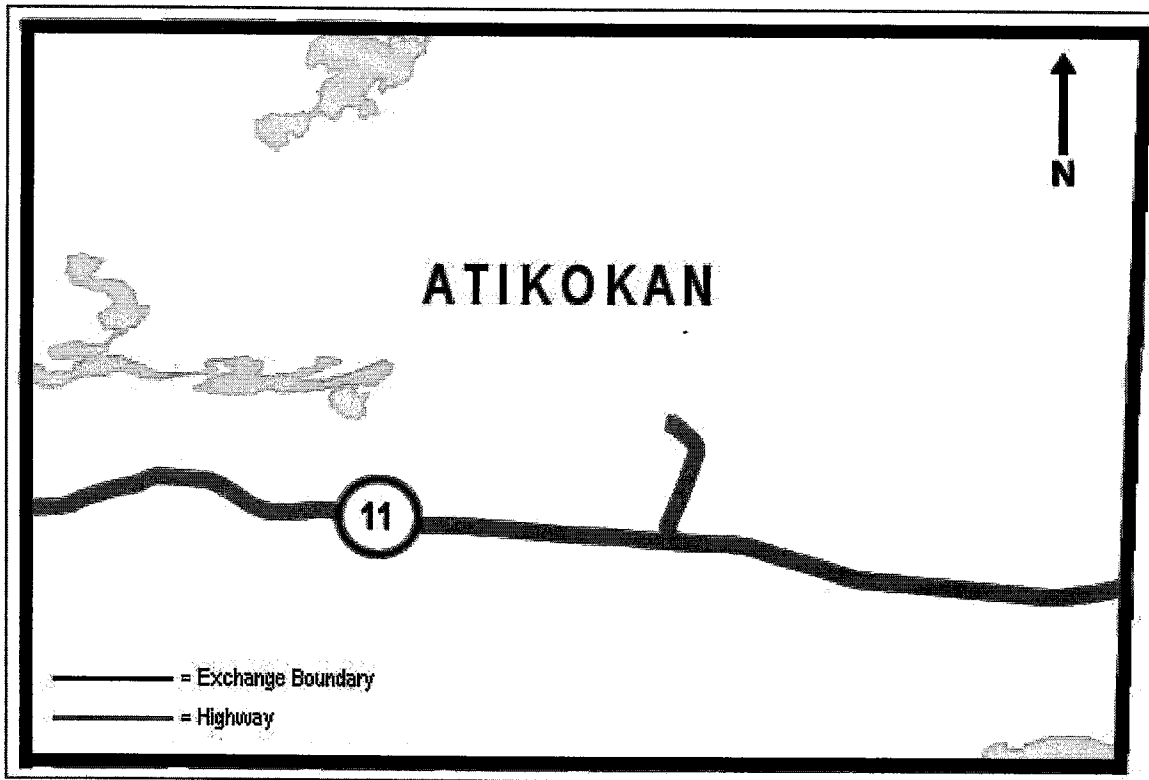

Maps of the proposed new serving areas are included with this document.
