Mr. Robert A Morin
Secretary General
Canadian Radio-television and
Telecommunications Commission
Ottawa, Ontario K1A 0N2

Dear Mr. Morin:

**RE: Completion of CLEC Obligations in the Bell Canada Exchanges of
Cobourg and Port Hope, Ontario**

TELUS Communications Company ("TCC" or the "Company") is pleased to inform the Commission that it has met the Commission's Competitive Local Exchange Carrier ("CLEC") obligations as set out in CRTC Telecom Decision 97-8, Local Competition and is ready to provide local exchange services in the Bell Canada exchanges of Cobourg and Port Hope. Attached for the Commission's information are copies of TCC's serving area maps for these exchanges.

The exchanges of Cobourg and Port Hope are within Bell Canada's "LIR-ON34" Local Interconnection Region. TCC has negotiated with Bell Canada an amendment to the interconnection agreement for LIR-ON34. This amendment will be executed and filed shortly.

TCC has signed and filed with the Commission all of the applicable interconnection agreements between itself and the other carriers that exchange traffic through direct interconnection with Bell Canada.

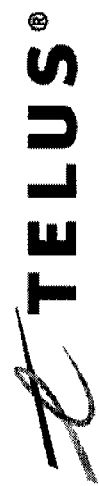

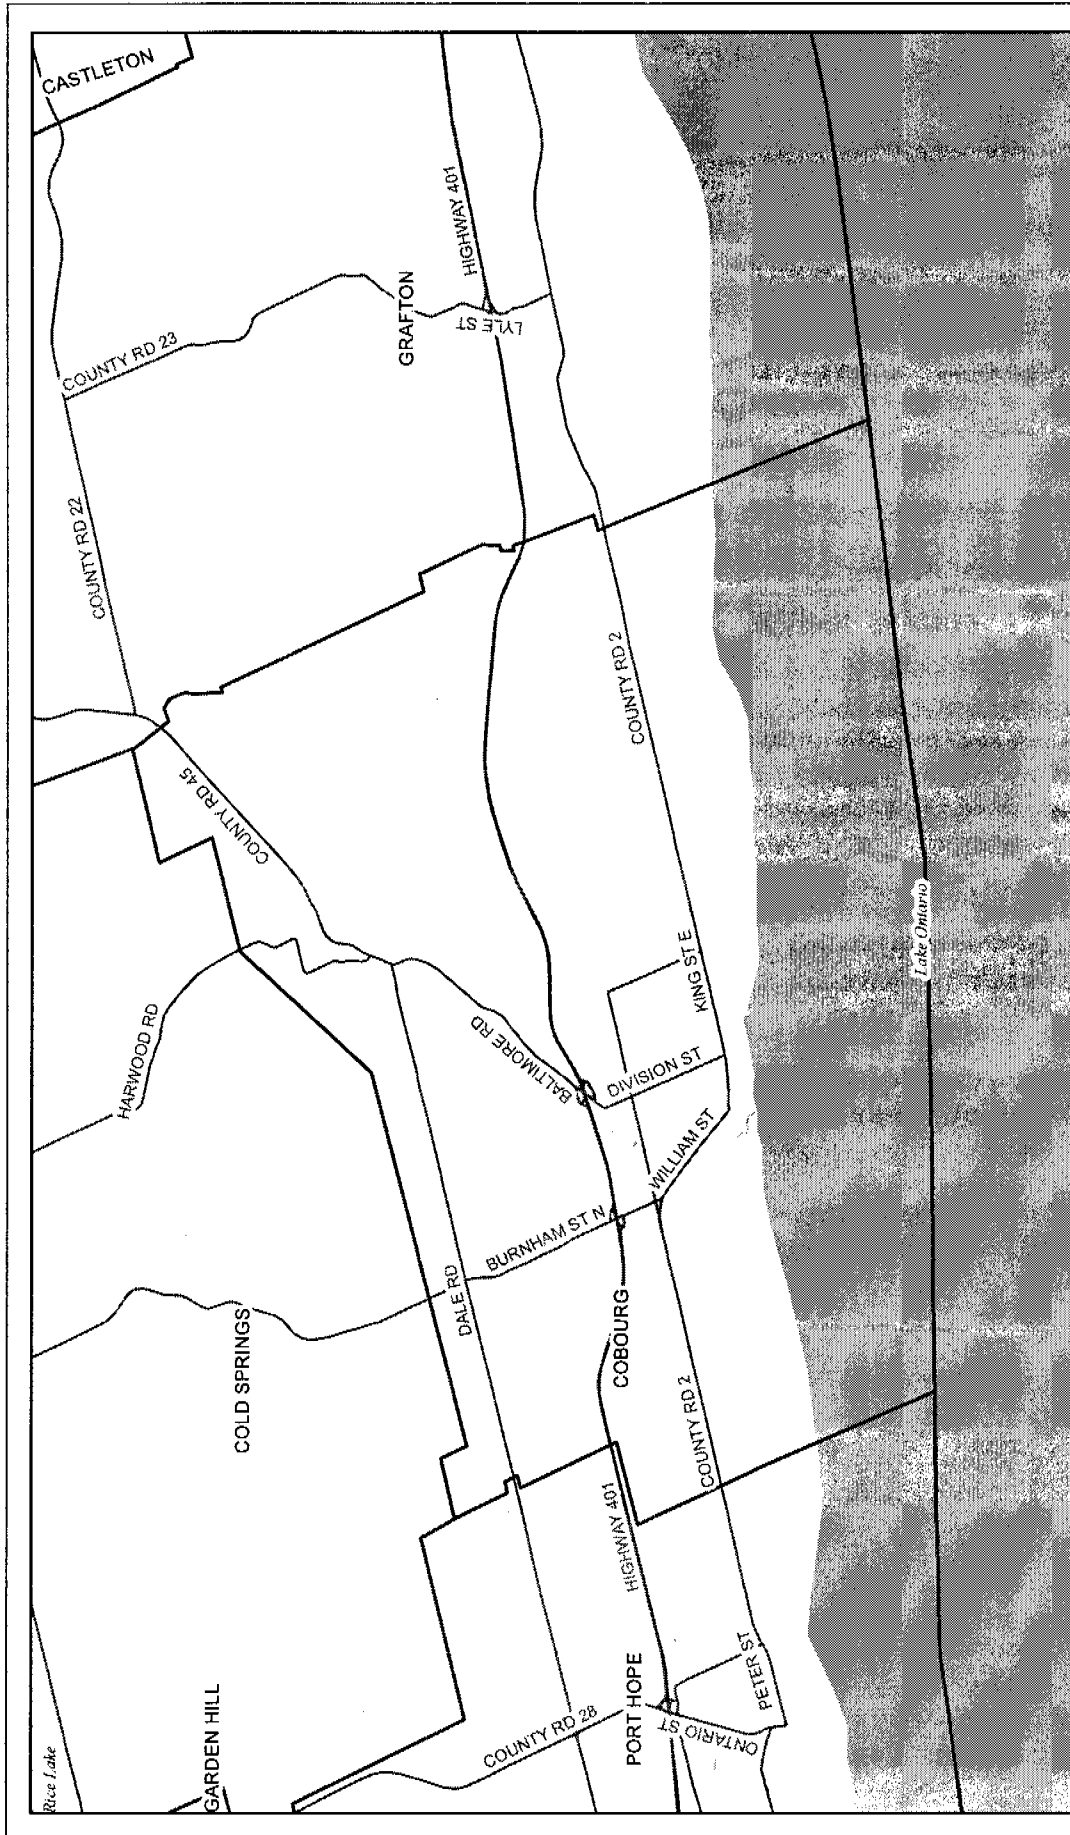

A copy of this letter will be provided to the Central Funds Administrator, the three consortia, all CLECs operating in TCC's proposed serving area and all proposed CLECs that have identified plans to operate in TCC's proposed serving area.

Yours truly,

[Original signed by]

Terry Connolly
Director, Regulatory Affairs
