Dear Mr. Morin:

Re: Competitive Local Exchange Carrier (CLEC) Registration

As required by the Commission pursuant to Telecom Decision CRTC 97-8 (Decision 97-8), paragraph 295, CANADIANMAGICJACK.CA LTD, operating as CANADIANMAGICJACK.CA, provides this notice of intent to provide local telephone services as a competitive local exchange carrier (CLEC) in Vanancouver, British Columbia. CANADIANMAGICJACK.CA LTD intends to offer local service as a (CLEC) and is filing its application as a (Category 4) type carrier.

CANADIANMAGICJACK.CA LTD is Canadian owned and controlled, as set out in the Telecommunications Act and the Canadian Telecommunications Common Carrier Ownership and Control Regulations.

Decision 97-8 requires that a (CLEC) must attest in writing that it understands and will conform to the obligations set out in Decision 97-8 and that it will provide a map of its proposed serving areas to the Commission. Accordingly, CANADIANMAGICJACK.CA LTD attests that it understands and will conform to all (CLEC) obligations (Category 4) required by the Commission.

CANADIANMAGICJACK.CA LTD will file maps of its proposed serving areas prior to providing local switched telephone services. CANADIANMAGICJACK.CA LTD will also file all required tariffs and agreements with the Commission for approval.

CANADIANMAGICJACK.CA LTD requests that the Commission recognize it as a (CLEC) in order to make the arrangements necessary to provide local switched services and requests that the Commission grant this authorization as soon as possible.

Yours truly,

Neil Adams CEO
