♦ In addition to its local television, BCE also owns ACCESS, the provincial educational television service. This service is significantly supported by the provincial government.

(\*) Non-conventional commercial FM radio held by a not-for-profit society, dedicated to broadcasting educational community-based content with a particular focus on non-commercial music and spoken word programming.

#### UPDATE

CRTC 2011-163 – approved a change in effective control of CTVglobemedia Inc.'s licensed broadcasting subsidiaries to BCE Inc.
