♦ In addition to its local television, BCE owns ACCESS, the provincial educational television service. This service is significantly supported by the provincial government.

(*) Non-conventional commercial FM radio held by a not-for-profit society, dedicated to broadcasting educational community-based content with a particular focus on non-commercial music and spoken word programming.

UPDATE

CRTC 2011-163 – approved a change in effective control of CTvglobemedia Inc.'s licensed broadcasting subsidiaries to BCE Inc.
