CFMI-FM New Westminster – Licence renewal

1. The Commission **renews** the broadcasting licence for the English-language commercial radio programming undertaking CFMI-FM New Westminster, from 1 September 2006 to 31 August 2013.
2. The Commission received an intervention in support of this application.
3. The licence will be subject to the **conditions** set out in *New licence form for commercial radio stations*, Public Notice CRTC 1999-137, 24 August 1999.
4. The Commission notes that this renewal includes the continued authority to make use of a Subsidiary Communications Multiplex Operation (SCMO) channel for the purposes of broadcasting a Tamil-language radio service. The Commission reminds the licensee that, as stated in section 3(1)(h) of the *Broadcasting Act*, it is responsible for the programs that it broadcasts. The licensee is therefore expected to ensure that its SCMO service is operated in a responsible manner and to adhere to the guidelines regarding the provision of SCMO services set out in Appendix A to *Services using the vertical blanking interval (television) or subsidiary communications multiplex operation (FM)*, Public Notice CRTC 1989-23, 23 March 1989.
5. Because this licensee is subject to the *Employment Equity Act* and files reports concerning employment equity with the Department of Human Resources and Skills Development, its employment equity practices are not examined by the Commission.
