Canadian Broadcasting Corporation

Charlottetown and St. Edward, Prince Edward Island

Application 2006-1058-6

Public Hearing at Regina, Saskatchewan

30 October 2006

Erratum

1. In paragraph 1 of *CBCT-FM Charlottetown – New transmitter at St. Edward*, Broadcasting Decision CRTC 2007-14, 11 January 2007, the Commission indicated that the Canadian Broadcasting Corporation (CBC) had proposed to establish a new FM transmitter of CBCT-FM Charlottetown, Prince Edward Island at St. Edward to rebroadcast the programming of the CBC's national English-language network service, Radio Two.
2. The CBC station CBCT-FM Charlottetown actually offers the programming of the CBC's national English-language network service, Radio One.
3. The Commission hereby corrects the decision, by replacing paragraph 1 with the following paragraph:
 1. The Commission **approves** the application by the Canadian Broadcasting Corporation (CBC) to amend the broadcasting licence for the radio programming undertaking CBCT-FM Charlottetown, in order to operate an FM transmitter at St. Edward to rebroadcast the programming of the CBC's national English-language network service, Radio One.
