### Item Applicant and Locality

1. **Canadian Broadcasting Corporation**  
Brockville, Ontario  
Application No. 2007-1285-3

1. **Brockville, Ontario**  
**Application No. 2007-1285-3**

Application by the **Canadian Broadcasting Corporation** (CBC) to amend the licence of the radio programming undertaking CBO-FM Ottawa, Ontario.

The licensee proposes to add an FM transmitter at Brockville, Ontario to broadcast its programming service of Radio One originating from CBO-FM Ottawa in order to adequately serve the population of Brockville.

The transmitter would operate on frequency 106.5 MHz (channel 293A) with an effective radiated power of 3,000 watts (non-directional antenna/effective antenna height of 100.5 metres).

The CBC states that Brockville is located within the theoretical 500 uV/m contour of its Radio One CBCK-FM Kingston transmitter but a recent signal quality evaluation study concluded that neither CBCK-FM Kingston nor CBO-FM Ottawa provide adequate coverage to Brockville. The CBC further states that in order to provide a good quality signal to the population of this area, a new transmitter is required.

### **Deadline for Interventions/Comments**

**9 November 2007**

The intervention must be received by the CRTC and by the applicant on or before the above-mentioned date. The Commission cannot be held responsible for postal delays.

Your intervention will be considered by the Commission, and will form part of the public record of the proceeding without further notification to you, provided the procedure set out below has been followed. You will be contacted only if your submission raises procedural questions.

Submit your written intervention to the Secretary General of the Commission in **only one** of the following formats:

**by using the**  
[\[Broadcasting intervention/comments form\]](#)

or

**by mail to**  
CRTC, Ottawa, Ontario K1A 0N2

or

**by fax at**  
819-994-0218

A true copy must be sent to the applicant and proof that this has been done must accompany the intervention sent to the Commission.

The Commission advises those who file and serve by electronic mode to exercise caution when using e-mail for service of documents or notification, as it may be

difficult to establish that service has occurred.

Before initiating service through electronic mode, please ensure that you will be able to satisfy the Commission, upon request, that service of the notification was completed.

Where the intervention is filed by electronic means, the line **\*\*\*End of document\*\*\*** should be entered following the last paragraph of the document, as an indication that the document has not been damaged during electronic transmission.

Each paragraph of the document should be numbered.

Your intervention should clearly identify the application and indicate whether you support or oppose the application, or if you propose changes to it, include the facts and grounds for your proposal.

### **Important notice**

Note that all information that you provide as part of this public process, except information granted confidentiality, whether sent by postal mail, facsimile, e-mail or through the Commission's web site at [www.crtc.gc.ca](http://www.crtc.gc.ca), becomes part of a publicly accessible file and will be posted on the Commission's web site. This information includes your personal information, such as your full name, e-mail address, postal/street address, telephone and facsimile number(s), and any other personal information you provide.

The personal information you provide will be used and may be disclosed for the purpose for which the information was obtained or compiled by the Commission, or for a use consistent with that purpose.

Documents received electronically or otherwise will be put on the Commission's web site in their entirety exactly as you send them, including any personal information contained therein, in the official language and format in which they are received. Documents not received electronically will be available in PDF format.

Please note that the information you provide to the Commission as part of this public process is entered into an unsearchable database dedicated to this specific public process. This database is accessible only from the webpage of this particular public process. As a result, a general search of our website with the help of either our own search engine or a third-party search engine will not provide access to the information which was provided as part of this public process.

### **Examination of Documents**

An electronic version of applications is available from the Commission's web site by selecting the application number within this notice.

A list of all interventions/comments will also be available on the Commission's Web site. An electronic version of all interventions/comments submitted will be accessible from this list. To access the list, select "Lists of interventions/comments" under "Public Proceedings" from the Commission's Web site.
