**Application No. 2008-0649-0**

Application by **Cogeco Cable Inc., on behalf of Cogeco Cable Canada Inc. and Cogeco Cable Quebec Inc.,** (Cogeco) for relief from the requirement of section 7 of the *Broadcasting Distribution Regulations* as it pertains to the passing through of video description for services distributed on an analog basis for each of the regional licences for its cable broadcasting distribution undertakings (BDUs) serving various locations in Ontario (Class 1 and 3) and Quebec (Class 1, 2 and 3), respectively, as detailed in the application.

Cogeco proposes the addition of the following condition of licence:

The licensee is relieved from the requirement of section 7 of the *Broadcasting Distribution Regulations* as it pertains to the passing through of video description on an analog basis. This authority is subject to the licensee providing, upon request, a complimentary digital set-top box to its analog cable subscribers who are blind or who have a visual impairment to enable these subscribers to access video description on a digital basis.

Broadcasting Public Notice CRTC 2007-101, dated 12 September 2007, noted that the Commission would consider applications by cable BDUs, either individually or through their industry associations, to be relieved, by condition of licence, of the requirement to pass through video description for services distributed on an analog basis.
