Application No. 2008-1015-2

1. **Woodstock, New Brunswick** **Application No. 2008-1037-6**

Application by the **Canadian Broadcasting Corporation (CBC)** to amend the licence of the English-language FM radio programming undertaking CBZF-FM Fredericton, New Brunswick.

The licensee proposes to amend the transmitter CBZW-FM Woodstock by changing the frequency from 91.9 MHz (channel 220LP) to 95.3 MHz (channel 237LP).

The licensee indicated that the change in frequency will avoid a potential interference from its French-language FM transmitter CBAF-FM-21 at Bon Accord which will operate on 91.7 MHz (channel 219C) once implemented.

Licensee's address:

181 Queen Street
Ottawa, Ontario

2. **Rivière-du-Loup, Quebec**
Application No. 2008-0993-1

Application by **Radio Rimouski inc.** to amend the licence of the French-language specialty FM radio programming undertaking CFYX-FM Rimouski, Quebec.

The licensee proposes to add an FM transmitter at Rivière-du-Loup to broadcast in its entirety the programming of CFYX-FM Rimouski in order to serve the population of Rivière-du-Loup.

The transmitter would operate on frequency 103.1 MHz (channel 276LP) with an average effective radiated power of 13 watts (maximum effective radiated power 50 watts/effective antenna height of 31.1 metres).

Further, the licensee states that it could better compete with Astral's Rimouski and Saguenay stations as well as with the Rimouski Canadian Broadcasting Corporation which can be heard in Rivière-du-Loup.

Licensee's address:

158 St-Germain-West Street

3. **Nelson, British Columbia**
Application No. 2008-1015-2

Application by **Vista Radio Ltd.** (Vista) relating to the licence of the commercial English-language radio programming undertaking CHNV-FM Nelson.

Vista proposes to change the authorized contours of its transmitter in Nelson by increasing the average effective radiated power from 84 watts to 1,100 watts (maximum effective radiated power of 2,400 watts), by increasing the effective antenna height to 376 metres and by relocating the transmitter.

Vista indicates that the quality of the signal is very poor and that it does not cover the highway which is a critical part of life in Nelson. It further states that these changes will improve the quality of CHNV-FM's signal.

Licensee's address:

4615 Canterra Tower
400 Third Avenue, South West
Calgary, Alberta

Deadline for Interventions/Comments

23 September 2008

The intervention must be received by the CRTC and by the applicant on or before the above-mentioned date. The Commission cannot be held responsible for postal delays.

Your intervention will be considered by the Commission, and will form part of the public record of the proceeding without further notification to you, provided the procedure set out below has been followed. You will be contacted only if your submission raises procedural questions.

Submit your written intervention to the Secretary General of the Commission in **only one** of the following formats:

by using the
[\[Broadcasting intervention/comments form\]](#)

or

by mail to
CRTC, Ottawa, Ontario K1A 0N2

or

by fax at
819-994-0218

A true copy must be sent to the applicant and proof that this has been done must accompany the intervention sent to the Commission.

The Commission advises those who file and serve by electronic mode to exercise caution when using e-mail for service of documents or notification, as it may be difficult to establish that service has occurred.

Before initiating service through electronic mode, please ensure that you will be able to satisfy the Commission, upon request, that service of the notification was completed.

Where the intervention is filed by electronic means, the line *****End of document***** should be entered following the last paragraph of the document, as an indication that the document has not been damaged during electronic transmission.

Each paragraph of the document should be numbered.

Your intervention should clearly identify the application and indicate whether you support or oppose the application, or if you propose changes to it, include the facts and grounds for your proposal.

Important notice

Note that all information that you provide as part of this public process, except information granted confidentiality, whether sent by postal mail, facsimile, e-mail or through the Commission's Web site at www.crtc.gc.ca, becomes part of a publicly accessible file and will be posted on the Commission's Web site. This information includes your personal information, such as your full name, e-mail address, postal/street address, telephone and facsimile number(s), and any other personal information you provide.

The personal information you provide will be used and may be disclosed for the purpose for which the information was obtained or compiled by the Commission, or for a use consistent with that purpose.

Documents received electronically or otherwise will be put on the Commission's Web site in their entirety exactly as you send them, including any personal information contained therein, in the official language and format in which they are received.
