St. Andrews, New Brunswick

Application 2009-0357-7, received 13 February 2009

CHCT-TV St. Andrews – Licence amendment

1. The Commission **approves** the application by St. Andrews Community Channel Inc. to amend the broadcasting licence for the television programming undertaking CHCT-TV St. Andrews in order to add the following **condition of licence**:

The licensee is relieved from the requirements of sections 10(1) to 10(4) of the *Television Broadcasting Regulations, 1987* with regard to the retention of program logs or records.

2. Given that the licensee is a not-for-profit organization and CHCT-TV is a low-power station serving the community, the licensee stated that it needs this amendment due to limited volunteer manpower. The Commission received an intervention in support of this application.
