

## Broadcasting Decision CRTC 2009-263

Route reference: 2009-109

Ottawa, 11 May 2009

**Cablevision TRP-SDM inc.**  
Trois-Pistoles, Quebec

*Application 2009-0264-4, received 3 February 2009*

### **Multipoint distribution system (MDS) radiocommunication distribution undertaking – Licence amendment**

1. The Commission **approves** the application by Cablevision TRP-SDM inc. (Cablevision) to amend the Class 3 broadcasting licence for its multipoint distribution system (MDS) radiocommunication distribution undertaking in Trois-Pistoles by changing its channel lineup. The Commission did not receive any interventions in connection with this application.
2. Cablevision proposed to change its channel lineup by retaining only six out of its fifteen analog channels. The channels retained will include four programming services that must be carried on the basic service, namely CFTF-TV (TQS) Rivière-du-Loup, CIMT-TV (TVA) Rivière-du-Loup, CIVB-TV-1 (SRTQ) Grand Portage (programming originating from CIVM-TV Montréal) and CKRT-TV (SRC) Rivière-du-Loup, as well as two services (MétéoMédia and Super Écran 1) that will be authorized to distribute as part of the basic service and on a discretionary basis respectively.
3. The remaining nine channels, which the licensee is currently authorized to distribute as part of the basic service, will be offered on a digital discretionary basis. These channels are:
  - Canal D
  - Canal Vie
  - Canal Z
  - Le Réseau de l'information (RDI)
  - Le Réseau des sports (RDS)
  - MusiquePlus
  - Séries+
  - Télétoon (French)
  - VRAK.TV
4. Cablevision also requests the authorization to distribute another 30 channels on a digital discretionary basis.

5. A complete list of the **conditions of licence** applicable to this Class 3 MDS radiocommunication distribution undertaking is set out in the appendix to this decision.

Secretary General

*This decision is to be appended to the licence. It is available in alternative format upon request and may also be examined in PDF format or in HTML at the following Internet site:*
