

## Telecom Regulatory Policy CRTC 2011-291-1

PDF version

Route reference: Telecom Notice of Consultation 2010-43, as amended

Ottawa, 12 May 2011

### Obligation to serve and other matters

File numbers: 8663-C12-201000653, 8663-C12-200912437 and 8663-C12-200909658

#### Correction

1. Paragraph 122 of *Obligation to serve and other matters*, Telecom Regulatory Policy CRTC 2011-291, 3 May 2011 should read as follows (change highlighted in bold):

122. In view of the above, the Commission determines that, effective 1 June 2011, in the regulated HCSAs of all large and small ILECs where subsidies have not yet been eliminated and monthly rates are below \$30, these rates can be increased, as discussed below, to the lesser of \$30 or the amount required to eliminate subsidy. The maximum allowable rate increases will be imputed for the calculation of the rate component, regardless of whether the ILEC actually increases its rates. **For 2011, the imputed increases are to take effect no later than 1 August 2011, with subsidy calculations adjusted accordingly. For future years, all increases to the rate component for the purposes of subsidy calculation will be imputed as of 1 June.** The increases to the rate components will be phased in over a period of three years (the transition period), in equal annual increments.
