Application 2013-1580-5, received 8 November 2013

CIOG-FM Charlottetown and its transmitter CIOG-FM-1 Summerside – Licence renewal

1. The Commission **renews** the broadcasting licence for the English-language specialty (Christian music) radio programming undertaking CIOG-FM Charlottetown, Prince Edward Island, and its transmitter CIOG-FM-1 Summerside from 1 September 2014 to 31 August 2021. The Commission did not receive any interventions regarding this application.
2. The licensee shall adhere to the **conditions of licence** set out in the appendix to this decision.
3. The Commission notes that the licensee is operated as a not-for-profit corporation and as such is not subject to the requirements set out in section 15 of the *Radio Regulations, 1986* regarding Canadian content development contributions.
4. The Commission notes that according to Broadcasting Decision 2008-107, the licensee had to make a contribution of \$1,100 to Canadian content development in the 2013-2014 broadcast year. Given that stations must file their annual returns by 30 November, the Commission requests the licensee to submit, in a form deemed acceptable¹ by the Commission, proof of payment regarding that contribution by **30 November 2014**. A **condition of licence** to that effect is set out in the appendix to this decision.

Reminder

5. Pursuant to section 22 of the *Broadcasting Act*, the broadcasting licence renewed in this decision will cease to have any force or effect if the broadcasting certificate issued by the Department of Industry lapses.

¹ For more details about the proof of payment required by the Commission, see Broadcasting Information Bulletin 2011-795.

Employment equity

6. In accordance with Public Notice 1992-59, the Commission encourages the licensee to consider employment equity issues in its hiring practices and in all other aspects of its management of human resources.
