CHAN-DT Vancouver and its transmitters CHAN-TV-2 Bowen Island, CHAN-TV-3 Squamish, CHAN-TV-5 Brackendale, CHAN-TV-7 Whistler, CITM-TV 100 Mile House and CITM-TV-1 Williams Lake – Licence amendments

1. The Commission **approves** the applications by Shaw Television Limited Partnership (Shaw)¹ to amend the broadcasting licence for the English-language conventional television programming undertaking CHAN-DT Vancouver, British Columbia, to add digital transmitters to replace its existing analog transmitters CHAN-TV-2 Bowen Island, CHAN-TV-3 Squamish, CHAN-TV-5 Brackendale, CHAN-TV-7 Whistler, CITM-TV 100 Mile House and CITM-TV-1 Williams Lake. The Commission did not receive any interventions regarding these applications.
2. The transmitters will operate in accordance with the following technical parameters:

Call sign and location	Channel	Maximum effective radiated power	Average effective radiated power	Effective height of antenna above average terrain
CHAN-DT-2 Bowen Island	39	954 watts	495 watts	375 metres

¹ Shaw Television G.P. Inc. (the general partner) and Shaw Media Global Inc. (the limited partner), carrying on business as Shaw Television Limited Partnership

CHAN-DT-3 Squamish	7	428 watts	107 watts	-433 metres
CHAN-DT-5 Brackendale	9	242 watts	103 watts	-373 metres
CHAN-DT-7 Whistler	9	348 watts	100 watts	-480 metres
CITM-DT 100 Mile House	21	4,284 watts	2,256 watts	573 metres
CITM-DT-1 Williams Lake	13	687 watts	97 watts	163 metres

3. The Commission reminds the licensee that pursuant to section 22(1) of the *Broadcasting Act*, these authorities will only be effective when the Department of Industry notifies the Commission that its technical requirements have been met and that broadcasting certificates will be issued.
4. The transmitters must be operational at the earliest possible date and in any event no later than **22 October 2015**,² unless a request for an extension of time is approved by the Commission before that date. To ensure that such a request is processed in a timely manner, it should be submitted in writing at least 60 days before that date.

Public service announcements

5. The Commission expects the licensee to broadcast public service announcements and to inform viewers of the existence of the new transmitters by way of its website in a manner consistent with the requirements set out in sections 3 and 4 of the appendix to Broadcasting Regulatory Policy 2011-198. Furthermore, the Commission expects the licensee to do this for a period of at least three months from the day these authorities are issued and before the licensee ceases to broadcast in analog or changes channels, whichever is sooner.
