Bell Aliant, a division of Bell Canada – Final approval of a tariff application

1. The Commission **approves on a final basis** the following tariff application:

Applicant	Tariff Notice and description	Date of application	Effective date
Bell Aliant, a division of Bell Canada	TN 543 General Tariff – Revised migration clause for legacy Centrex and other services	8 May 2020	25 May 2020

2. The Commission received no interventions with respect to the application.
3. In accordance with subparagraph 1(b)(i) of the 2006 Policy Direction,¹ the Commission considers that the approval of this application will advance the policy objective set out in paragraph 7(f) of the *Telecommunications Act*.²
4. In accordance with the 2019 Policy Direction,³ the Commission considers that this order, which is based on a complete record, can promote competition, affordability, consumer interests, and innovation. Specifically, the final approval of this application will promote (i) consumer interests by providing additional flexibility to enable customers to migrate, at no charge or for a reduced fee, their services that are under the terms of a minimum contract period (MCP) to services that are also subject to the terms of an MCP; and (ii) innovation by ensuring that consumers will continue to have access to high-quality innovative telecommunications services as a result of higher speeds.
