4. In accordance with the 2019 Policy Direction,³ the Commission considers that this order, which is based on a complete record, can promote competition, affordability, consumer interests, and innovation. Specifically, the final approval of this application will promote (i) consumer interests through the introduction of contract termination waiver clauses for consumers who terminate their contract and then contract for another of the company's services; and (ii) innovation through ensuring that consumers have access to high-quality telecommunications services as a result of the new termination waiver clauses.
5. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
