

## Telecom Order CRTC 2021-271

PDF version

Ottawa, 9 August 2021

### Bell MTS, a division of Bell Canada – Approval of a tariff application

1. The Commission **approves** the following tariff application:

Applicant	Tariff Notice and description	Date of application	Effective date
Bell MTS, a division of Bell Canada	TN 832 Access Services Tariff – Revisions to Ethernet Central Office Connection Link Service	19 May 2021	9 August 2021

2. The Commission received no interventions with respect to the application.
3. In accordance with subparagraph 1(b)(i) of the 2006 Policy Direction,<sup>1</sup> the Commission considers that the approval of this application will advance the policy objective set out in paragraph 7(f) of the *Telecommunications Act*.<sup>2</sup>
4. In accordance with the 2019 Policy Direction,<sup>3</sup> the Commission considers that this order, which is based on a complete record, can promote competition, affordability, consumer interests, and innovation. Specifically, the approval of this application will promote (i) innovation, because it will ensure continued access to high-quality telecommunications services as a result of the addition of a port on terminating equipment; and (ii) consumer interests, because it will ensure that the necessary underlying services are available for the provision of next generation 9-1-1 service.
5. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
