2. The Commission received no interventions with respect to the applications.

3. In accordance with subparagraph 1(b)(i) of the 2006 Policy Direction,¹ the Commission considers that the approval of these applications will advance the policy objective set out in paragraph 7(f) of the *Telecommunications Act*.²
4. In accordance with the 2019 Policy Direction,³ the Commission considers that this order, which is based on a complete record, can promote competition, affordability, consumer interests, and innovation. Specifically, the final approval of these applications will promote (i) consumer interests, by ensuring that the resale and sharing provisions are consistent across all of the Bell Companies' tariffs, and (ii) innovation, by ensuring consumers continue to have access to high-quality telecommunications services that meet their needs.
5. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
