Ottawa, 2 September 2021

Northwestel Inc. – Final approval of a tariff application

1. The Commission **approves on a final basis** the following tariff application:

Applicant	Tariff Notice and description	Date of application	Effective date
Northwestel Inc.	TN 1130 Private Wire Services Tariff – Housekeeping Changes to Ethernet Metropolitan Area Network Service	6 July 2021	21 July 2021

2. The Commission received no interventions with respect to the application.
3. In accordance with subparagraph 1(b)(i) of the 2006 Policy Direction,¹ the Commission considers that the approval of this application will advance the policy objective set out in paragraph 7(b) of the *Telecommunications Act*.²
4. In accordance with the 2019 Policy Direction,³ the Commission considers that this order, which is based on a complete record, can promote competition, affordability, consumer interests, and innovation. Specifically, the final approval of this application will promote (i) innovation, because it will ensure continued access to high-quality telecommunications services as a result of the addition of a port on the terminating equipment; and (ii) consumer interests, because it will provide the option of a port at a faster speed.
5. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
