2. The above-noted paragraph 16 and condition of licence 2.a) shall now read as follows (corrections regarding the start date are noted in bold):

(paragraph 16 of Broadcasting Decision 2021-88)

16. In addition, in light of the serious and recurring nature of CIVR-FM's non-compliance, the Commission finds that it would be appropriate to require Radio Taïga to broadcast on CIVR-FM an on-air announcement regarding its non-compliance three times a day, distributed in a reasonable manner between 6 a.m. and 10 a.m. or between 4 p.m. and 6 p.m., for five consecutive days within the 14-day period **beginning 1 March 2021**. To confirm compliance with this requirement, the licensee must file with the Commission the audio recordings for the broadcast days during which the announcement was broadcast and a completed and signed *Attestation as to the broadcast of the non-compliance announcement on CIVR-FM Yellowknife*, which can be found in Appendix 2 to this decision. A **condition of licence** to that effect is set out in Appendix 1 to this decision.

(condition of licence 2.a) set out in Appendix 1 to Broadcasting Decision 2021-88)

2.a) The licensee shall broadcast the following announcement three times a day, distributed in a reasonable manner between 6 a.m. and 10 a.m. or between 4 p.m. and 6 p.m., for five consecutive days within the 14-day period **beginning 1 March 2021**:

Radio frequencies are a limited public resource. Holding a broadcasting licence is a privilege, and broadcasters are required to abide by a number of regulations and conditions of licence in order to operate a radio station. In Broadcasting Decision 2021-88, the CRTC determined that this station is in non-compliance with the *Radio Regulations, 1986*. The instance of non-compliance occurred during the 2015-2016 broadcast year and is a recurring issue. CIVR-FM has put measures in place to ensure that the instances of non-compliances in question do not reoccur.

b) The licensee shall file with the Commission the audio recordings for the broadcast days during which the announcement was broadcast and a completed and signed *Attestation as to the broadcast of the non-compliance announcement on CIVR-FM Yellowknife*, set out in Appendix 2 to ***CIVR-FM Yellowknife – Licence renewal, Broadcasting Decision CRTC 2021-88, 23 February 2021***, by no later than 14 days following the final broadcast of the announcement.

3. Further, the appendix to the present decision (with the above-noted correction set out in bold) shall replace Appendix 2 to Broadcasting Decision 2021-88.

Secretary General

*This decision is to be appended to the licence.*
