Ottawa, 21 July 2022

Rogers Communications Canada Inc. – Approval of a tariff application

1. The Commission **approves** the following tariff application:

Applicant	Tariff Notice and description	Date of application	Effective date
Rogers Communications Canada Inc.	TN 74 Access Services Tariff – Introduction of a new speed for Third Party Internet Access Service	3 May 2022	21 July 2022

2. The Commission received no interventions with respect to the application.
3. In accordance with subparagraph 1(b)(i) of the 2006 Policy Direction,¹ the Commission considers that the approval of this application will advance the policy objectives set out in paragraph 7(b), 7(c) and 7(f) of the *Telecommunications Act*.²
4. In accordance with the 2019 Policy Direction,³ the Commission considers that this order, which is based on a complete record, can promote competition, affordability, consumer interests, and innovation. Specifically, the approval of this application will promote competition, affordability and innovation, because it will make available high-quality telecommunications services in new regions of Canada, and will reduce barriers to competition.
5. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
