Ottawa, 6 September 2022

Bell Aliant, a division of Bell Canada – Final approval of a tariff application

1. The Commission **approves on a final basis** the following tariff application:

Applicant	Tariff Notice and description	Date of application	Effective date
Bell Aliant, a division of Bell Canada	TN 560 General Tariff – New contract extension provisions for Business Multi-Line Access Service customers	7 July 2022	22 July 2022

2. The Commission received no interventions with respect to the application.
3. In accordance with subparagraph 1(b)(i) of the 2006 Policy Direction,¹ the Commission considers that the approval of this application will advance the policy objective set out in paragraph 7(f) of the *Telecommunications Act*.²
4. In accordance with the 2019 Policy Direction,³ the Commission considers that this order, which is based on a complete record, can promote competition, affordability, consumer interests, and innovation. Specifically, the final approval of this application will promote (i) consumer interests, because it will allow customers to extend their contract period at the existing rates, terms, and conditions, and will provide service stability during the contract negotiation period; and (ii) innovation, because it will ensure that customers have continued access to high-quality telecommunications services.
5. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
