Procedure

Deadline for interventions, comments or answers

2 December 2022

The *Canadian Radio-television and Telecommunications Commission Rules of Practice and Procedure* (the Rules of Procedure) apply to the present proceeding. The Rules of Procedure set out, among other things, the rules for content, format, filing and service of interventions, answer, replies and requests for information; the procedure for filing confidential information and requesting its disclosure; and the conduct of public hearings. Accordingly, the procedure set out below must be read in conjunction with the Rules of Procedure and related documents, which can be found on the Commission's website under "[Statutes and Regulations](#)." *Guidelines on the CRTC Rules of Practice and Procedure*, Broadcasting and Telecom Information Bulletin CRTC 2010-959, 23 December 2010, provides information to help interested persons and parties understand the Rules of Procedure so that they can more effectively participate in Commission proceedings.

An intervention or an answer from a respondent must be filed with the Commission and served on the applicant on or before the above-mentioned date. An answer from a respondent must also be served on any other respondent.

Interventions and answers must clearly identify the application referred to and indicate whether parties support or oppose the application, or, if they propose changes to it, include the facts and grounds for their proposal.

Parties are permitted to coordinate, organize, and file, in a single submission, interventions by other interested persons who share their position (if applicable). Information on how to file this type of submission, known as a joint supporting intervention, as well as a template for the covering letter to be filed by the parties, can be found in *Changes to certain practices for filing interventions – Expansion of filing practices to include the filing of joint supporting comments for broadcasting policy proceedings*, Broadcasting Information Bulletin CRTC 2010-28-1, 10 December 2010.

The Commission encourages interested persons and parties to monitor the record of the proceeding, available on the Commission's website, for additional information that they may find useful when preparing their submissions.

Submissions longer than five pages should include a summary. Each paragraph of all submissions should be numbered, and the line *****End of document***** should follow the

last paragraph. This will help the Commission verify that the document has not been damaged during electronic transmission.

Pursuant to *Filing submissions for Commission proceedings in accessible formats*, Broadcasting and Telecom Information Bulletin CRTC 2015-242, 8 June 2015, the Commission expects incorporated entities and associations, and encourages all Canadians, to file submissions for Commission proceedings in accessible formats (for example, text-based file formats that allow text to be enlarged or modified, or read by screen readers). To provide assistance in this regard, the Commission has posted on its website [guidelines](#) for preparing documents in accessible formats.

Submissions must be filed by sending them to the Secretary General of the Commission using **only one** of the following means:

by completing the
[\[Intervention/comment/answer form\]](#)

or

by mail to
CRTC, Ottawa, Ontario K1A 0N2

or

by fax at
819-994-0218

A true copy of each intervention or answer from a respondent must be sent to the applicant and, in the case of a respondent to an application, to any other respondent.

Parties who send documents electronically must ensure that they will be able to prove, upon Commission request, that filing, or where required, service of a particular document was completed. Accordingly, parties must keep proof of the sending and receipt of each document for 180 days after the date on which the document is filed or served. The Commission advises parties who file or serve documents by electronic means to exercise caution when using email for the service of documents, as it may be difficult to establish that service has occurred.

In accordance with the Rules of Procedure, a document must be received by the Commission and all relevant parties by 5 p.m. Vancouver time (8 p.m. Ottawa time) on the date it is due. Parties are responsible for ensuring the timely delivery of their submissions and will not be notified if their submissions are received after the deadline. Late submissions, including those due to postal delays, will not be considered by the Commission and will not be made part of the public record.

The Commission will not formally acknowledge submissions. It will, however, fully consider all submissions, which will form part of the public record of the proceeding, provided that the procedure for filing set out above has been followed.

In the event that the application to be considered during the non-appearing phase of the hearing is brought to an oral phase of the hearing, and if parties wish to appear, they must provide reasons why their written interventions or answers are not sufficient and why an appearance is necessary. Parties requiring communication support must state their request on the first page of their intervention. Only those parties whose requests to appear have been granted will be contacted by the Commission and invited to appear at the public hearing.

Although the public hearing will be held in the **National Capital Region**, the Commission will consider providing videoconference links to enable remote participation (audio or video), should it receive requests to do so.

Persons requiring communications support such as assistance listening devices and sign language interpretation are requested to inform the Commission at least twenty (20) days before the commencement of the public hearing so that the necessary arrangements can be made.
