Rogers Communications Canada Inc. – Approval of tariff applications

1. The Commission **approves** the following tariff applications:

Applicant	Tariff Notice and description	Application date	Effective date
Rogers Communications Canada Inc.	TN 87 Access Services Tariff – Introduction of a new service speed for Third Party Internet Access	12 November 2025	21 April 2026
Rogers Communications Canada Inc.	TN 87A Access Services Tariff – Introduction of new service speeds for Third Party Internet Access	10 February 2026	21 April 2026

2. The rates for these new speeds are currently approved on an interim basis and will be finalized upon the outcome of the proceeding initiated by Telecom Notice of Consultation 2023-56.¹
3. The Commission received an intervention from TekSavvy Solutions Inc. with regard to these applications.
4. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
